

## TSS Sponsoring Packages

2026

**TermNet's International Terminology Summer School (TSS)** is the leading summer school for terminology, language and information professionals from all over the world.

**TSS is a practice-oriented training course** covering a comprehensive overview of the methods and tools of professional terminology management. The course is taught by some of the most renowned and prominent terminology experts in the world.

TSS prepares participants to obtain the European Certificate for Terminology Professionals, also known as the "Terminology Driving Licence", issued by the European Certification and Qualification Association (ECQA GmbH©).
